ISRAEL'S SETTLEMENTS: BUILDING BLOCKS?

Israel's Left says that settlement **building blocks** the path to peace.
Israel's Right sees the settlements as the basic **building blocks** of Israel and the entire Zionist endeavor.
Will the compromise be **building blocks** of large Jewish settlements and evacuating smaller ones?

Israel Seminars confronts and deliberates about Israel's most controversial subject of policy.
This interactive discussion program allows participants to deepen their knowledge and understanding
of all the issues and opinions in Israel's hottest public debate. Join the conversation!

Israel Seminars is an educational organization with no political agenda.

Sisterhood of Temple Ner Tamid *Calendar Raffle 2010*

It's back!! Our popular Month-of-February Fund Raising Raffle is returning to Temple Ner Tamid and it's Bigger and Better than ever!!

The total prize package for the month will be \$2,010.00 and the minimum-winning raffle each day is \$50.00.

Here's How It Works!...

During the month of February 2010, there will be one entry drawn each day from Monday to Friday. A cash prize – ranging from \$50.00 to \$410.00 – will be awarded on each of those days to the winner. Participants do not have to be present to win. Prizes will be mailed to the winners.

And the Best Part?.....

The price of each raffle ticket is only \$15.00 or for **\$30.00 you can purchase two and get one free.** You can easily make more than that money back with just one lucky draw, or better yet, you could win the top prize of \$410.00, which will be given away on February 26th.

It is our hope that all congregants will participate in this important fundraiser by purchasing tickets themselves and/or by selling them to relatives, friends, neighbors, or co-workers. Additional tickets are available at the Temple office.

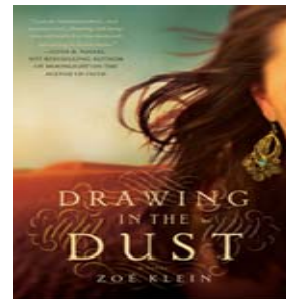

Thank you in advance for your support!

EVERY OTHER MONTH BOOK CLUB

Our next selection is *Zoe Klein, Drawing in the Dust.*

Discussion led by Alan Pransky

at TNT on Sunday, January 24, 8:00 pm.

Reviews

"Lyrical, transformative, and unexpected, *Drawing* will keep you enthralled in the moment, yet racing to know more." -- Gina B. Nahai, *NYT* bestselling author of *Moonlight on the Avenue of Faith*

"Archaeology is the most dangerous of sciences, fundamentalism the most insidious of religious beliefs, and fiction the most seductive form of writing. Mix all three together, and you have *Drawing in the Dust*.... Zoe Klein will rock your foundations! This is what fiction should be about." -- Kathleen O'Neal Gear and W. Michael Gear, *NYT* bestselling authors of *The Betrayal*

"A magically inventive archaeological expedition into love's psyche. Rabbi Klein's voice is enormously literate, politically sophisticated, spiritually captivating, and above all, unique." -- Lawrence Kushner, *author of Kabbalah : A Love Story*

"*Drawing in the Dust* is original in every sense of the word: creative, innovative, novel. It is an archaeological adventure that resurrects buried romance. With feeling intellect, the author reveals the secret of the heart." -- Rabbi Harold Schulweis, *Author of Conscience: The Duty to Obey and the Duty to Disobey*
